1. **Em Em** Hello darkness, my old friend, **D D** I've come to talk with you again, **Em**
Em because a vision softly creeping, **C' G' G** left its seeds while I was sleeping, **C' G'**
G' C and the vision that was planted in my brain, **C G**
G' Em' G' D Em still remains, within the sound of silence.

2. **Em** In restless dreams I walked alone, **D D** narrow streets of cobble-stone. **Em**
Em 'Neath the halo of a street lamp, **C' G' G** I turned my collar to the cold and damp, **C' G'**
G' C when my eyes were stabbed by the flash of a neon light,
G' Em' G' D Em that split the night and touched the sound of silence.

3. **Em** And in the naked light I saw, **D D** ten thousand people, maybe more, **Em**
Em people talking without speaking, **C' G' G** people hearing without listening, **C' G'**
G C C G people writing songs that voices never share,
G' Em' G' D Em no one dare disturb the sound of silence.
